Zaneen's collection of glass fixtures offers a diverse range of versatile lighting solutions designed to meet various needs and styles. From sleek LED options to incandescent retrofits and bold, statement-making designs, these fixtures elevate any space with sophistication and innovation.

LED Glass Fixtures

LED Glass Fixtures

This selection of glass fixtures seamlessly blends striking design with high-lumen LED performance, proving that beauty and functionality can shine together. These purposeful lights raise the bar by providing a versatile solution for illuminating spaces like kitchens, offices, and beyond.

BILO

Frosted opal glass globe that can be integrated into select Architectural track systems.

BOLLA

Gradient effect glass with color uniquely integrated into the glass paste itself.

GEO

Elegant spherical shape with gentle flattening at the pole, available in a variety of color finishes.

FOLD

Designed with a central fold, seamlessly integrates metal cylinder with glass silhouette, available in a variety of color finishes.

HYDRA

New-age, contemporary design featuring a frosted glass bulb that diffuses light through a transparent glass shade.

PIT

Simple and modern spherical design, available in multiple sizes to create unique compositions.

REGULA

Blends minimalism and elegance in a square tubular design, available in a variety of color finishes.

Incandescent Retrofit Glass Fixtures

Incandescent Retrofit Glass Fixtures

This collection of traditional incandescent glass fixtures captivates with its distinctive shapes, complemented by a wide variety of color finish options. Thoughtfully designed, these fixtures adapt seamlessly to different installation settings, adding a touch of timeless elegance and warm illumination to any space.

ASTROS

Lighting system that enables infinite unique configurations, offering versatile solutions for lighting design needs.

LACRIMA

Elegant blown glass silhouette with subtle opening at the bottom, available in a variety of color finishes.

PARIGI CIPOLLA

Smooth and pure handmade blown glass in oval shape, available in a variety of color finishes.

LAND

Sculptural and artistic design inspired by nature's organic beauty, available in a range of applications.

PARIGI PALLA

Handcrafted, smooth and pure blown glass in delicate round shape, available in a variety of color finishes.

SPAN

Frosted glass with a subtle yet refined delicacy, available in four distinct mounting options.

Ribbed
Distinctive Designs

Glass-Within-Glass

Each of these fixtures features a distinctive glass-within-glass design, making them stand out within the collection. Their delicate, intricate details highlight the extraordinary craftsmanship of blown glass, with every piece offering a unique statement.

DALMA

Contemporary design with wave-like interior that adds dynamism to the fixture, available in a variety of color finishes.

LED Fixture

LA STILLA

Modern design with unique "water drop" shape on the interior, exhibiting exquisite craftsmanship.

LED Fixture

OSCURA MAX

Grander edition of Oscura series, featuring larger sizes for a more dramatic presence.

LED Fixture

AERON

Inner chamber is satin finished to diffuse the light elegantly, available in a variety of color finishes.

Incandescent Retrofit Fixture

FLUTE

Sophisticated fixtures inspired by tapered shape of champagne glass, featuring a unique chromatic effect.

Incandescent Retrofit Fixture

MIREA

Elegant combination of shapes and materials, available as a chandelier with 9 to 16 blown glass spheres.

Incandescent Retrofit Fixture

OSCURA

Classic glass sphere available in a variety of composition options and color finishes to complement any project.

Incandescent Retrofit Fixture

TAO

Cylinder shape with smooth blown glass and an interior frosted piece, offering a soft, diffused light.

Incandescent Retrofit Fixture

ZOE

Timeless teardrop shape, available in larger sizes for a more dramatic presence, and a variety of color finishes.

Incandescent Retrofit Fixture

Ribbed

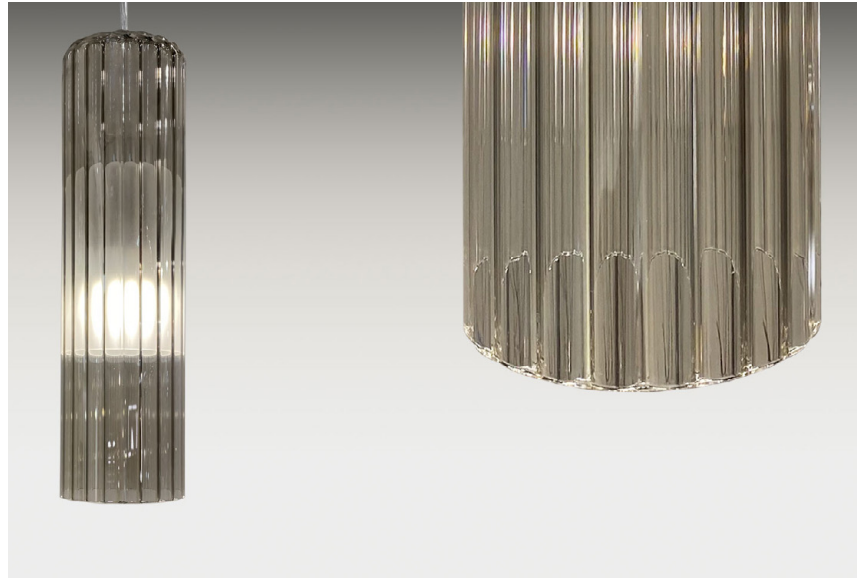

These fixtures stand out with their distinctive ribbed designs, adding a textured dimension to the collection. Each series offers a unique aesthetic, and when used in multiples, they create a stunning composition that enhances any space.

DAO

Cylindrical design with straight ribbed detailing for textured effect, available in a variety of color finishes.

Incandescent Retrofit Fixture

FIRENZE CIPOLLA

Oval design with diagonal ribbed detailing that creates a wave-like effect for added intrigue.

Incandescent Retrofit Fixture

FIRENZE PALLA

Round design with diagonal ribbed detailing that creates a wave-like effect for visual interest.

Incandescent Retrofit Fixture

GOCCIA

Timeless teardrop silhouette design featuring diagonal ribbed details, available in a variety of color finishes.

Incandescent Retrofit Fixture

TRINITY

Clustered collection of Dao, Firenze Palla and Goccia series, designed to form unique compositions with ribbed glass fixtures.

Incandescent Retrofit Fixture

Distinctive Designs

These series are truly one-of-a-kind, each inspired by unique influences—from the beauty of nature's plants to the timeless elegance of apples, or even the genius of Vincent Van Gogh. With their mesmerizing designs and intricate structures, these glass fixtures make a bold statement in any space.

APPLE MOOD

Uniquely shaped like an apple with a visible core, inspired by the symbolic significance of the fruit.

LED Fixture

VEGETAL

Inspired by the intricate designs found in nature's plants, each subseries features a unique shape and detailing.

LED Fixture

ZOE VINCENT

Collaboration with Van Gogh Museum, featuring intricate designs created by the legendary impressionist painter.

Incandescent Retrofit Fixture

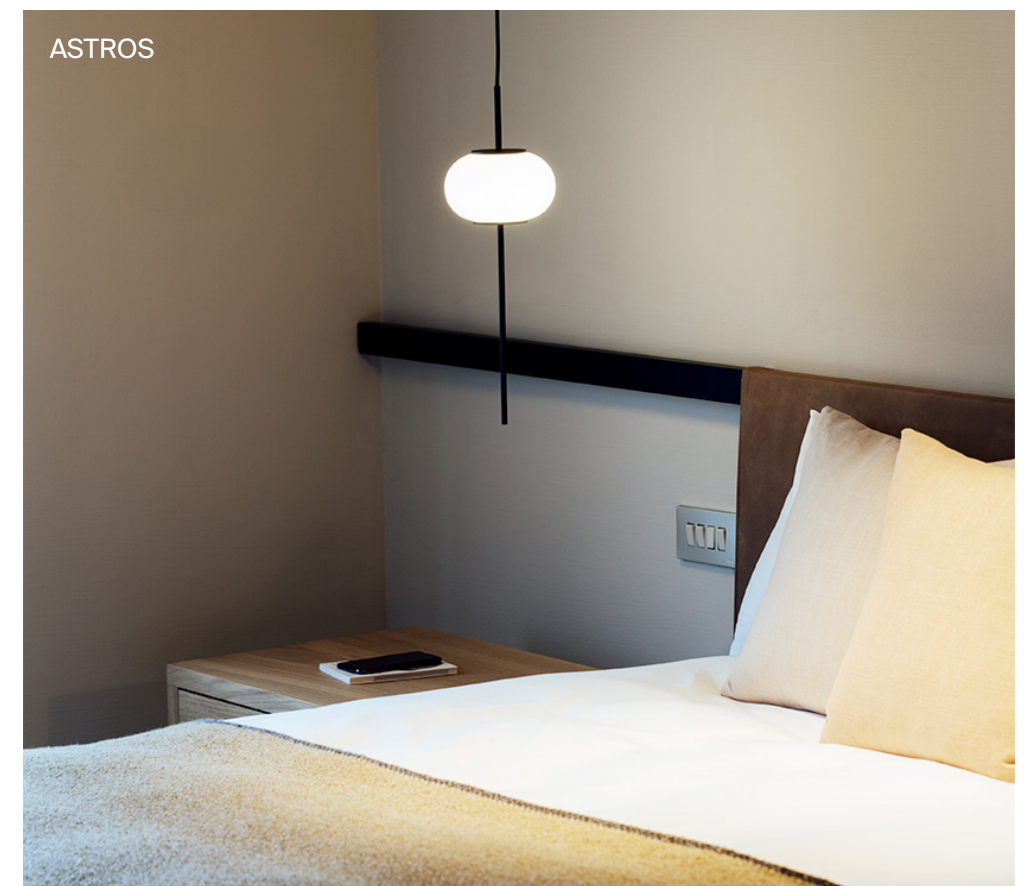

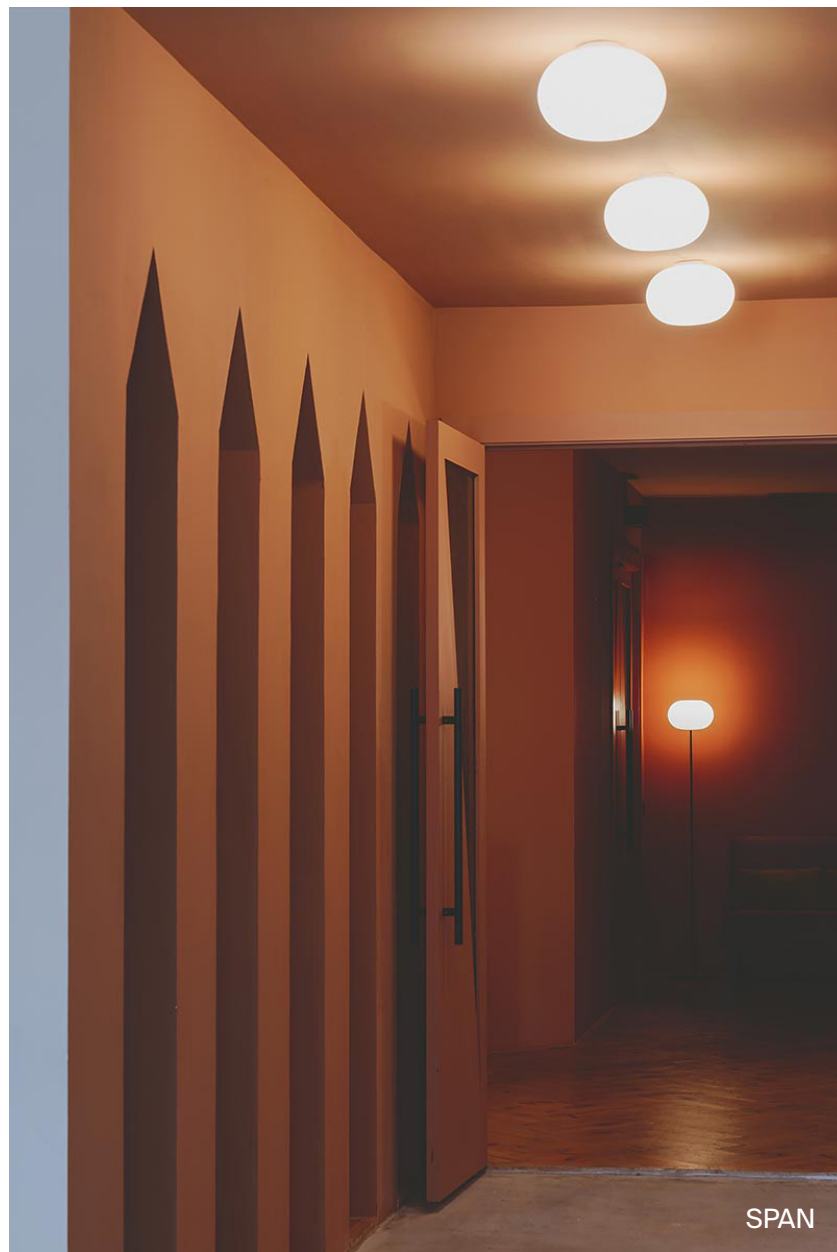

Recommended Applications

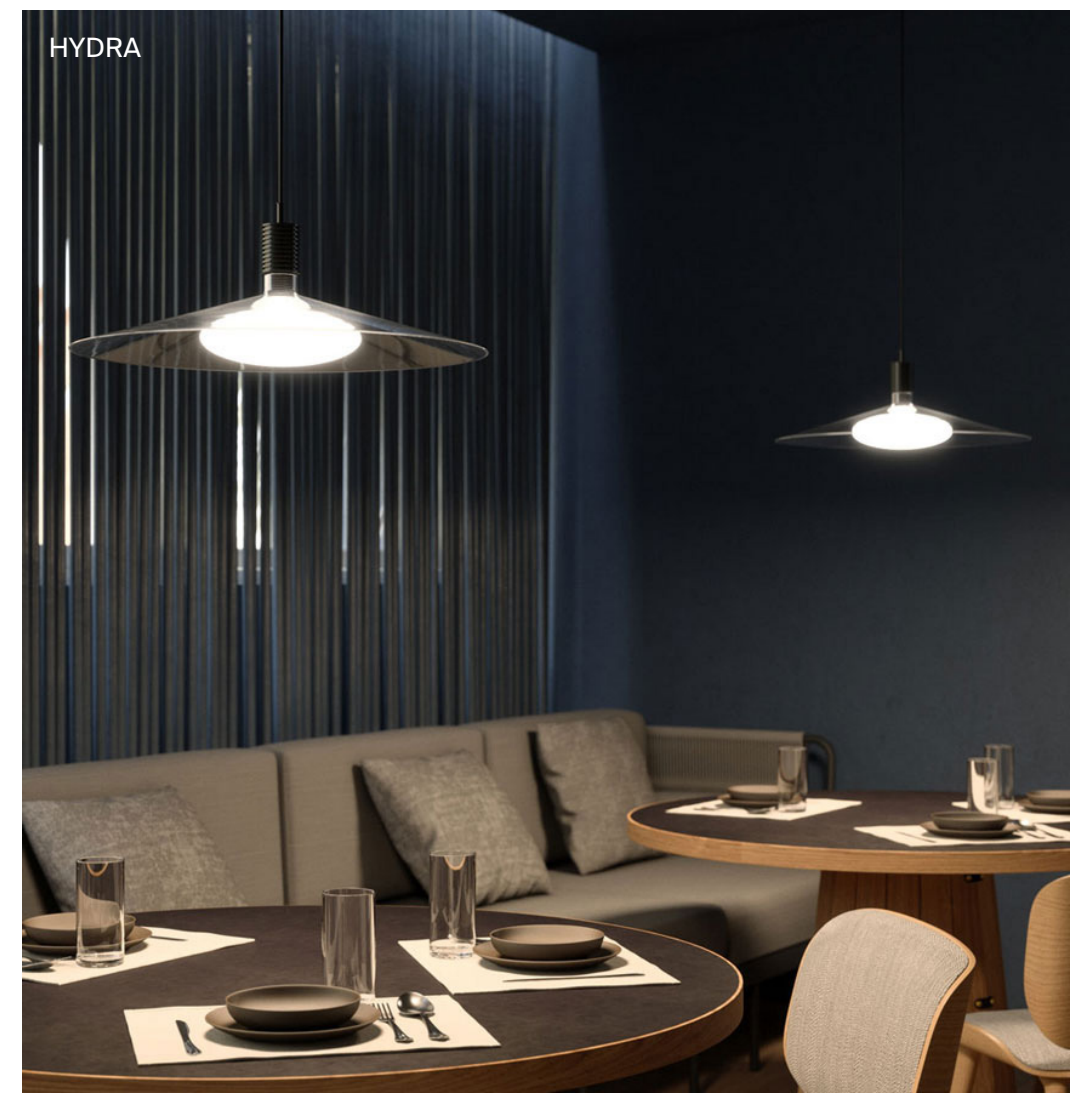

Hospitality

Add a stunning touch to a variety of hospitality settings with the use of glass fixtures, including hotel rooms, lobbies, lounges, and more. Their elegance creates a captivating ambiance, leaving a lasting impression and ensuring an unforgettable experience for guests.

Restaurants

Glass fixtures are the perfect way to set the mood in a restaurant. Their opulence and translucency add warmth above dining tables, bar tops, kitchen islands, and other key areas, enhancing the atmosphere and elevating the guest experience.

Offices

Corporate spaces can greatly benefit from the addition of glass fixtures, offering a simple yet elegant way to infuse warmth and sophistication throughout the office. From meeting rooms and shared workspaces to hallways, glass fixtures create a cozier, more inviting atmosphere for employees.

VEGETAL

GOCCIA

Residential

Residential spaces flourish with the addition of glass fixtures, effortlessly enhancing every room of the home. From bedrooms and living rooms to dining areas and hallways, the soft, diffused light of glass fixtures breathes life into any space. Regardless of the interior design aesthetic, these fixtures serve as the perfect finishing touch.

SPAN

FLUTE

PIT

General Lighting

Glass fixtures add elegance to a variety of spaces and applications. From open staircases and hallways to reception areas and beyond, they bring warmth and sophistication to any environment. The unique character and delicate beauty of glass lighting solutions enhance the atmosphere.

Expert Collaboration

Zaneen's collection of glass fixtures offers versatile lighting solutions that seamlessly blend style and functionality. Whether you're looking for energy-efficient LEDs, incandescent retrofits, or eye-catching statement pieces, our designs elevate any space with both innovation and sophistication.
