

Queen stands out with its majestic shape. It consists of 24 strips positioned to partially overlap each other, giving an expressive glamour effect.

The collection is made of two materials, Polilux and methacrylate, which ensures thickness, impact resistance, transparency, and light diffusion. It gives the same brightness as glass, but offers many more advantages.

Surface

7 ½" | 11" | 16 ½"

Suspension

7 ½" | 11" | 14" | 16 ½" | 23 ½" | 29 ½" | 38 ½" | 50"

Portable Tripod

14"

Portable Flat

11" | 14" | 16 ½"

Portable Stem

7 ½"

Colors

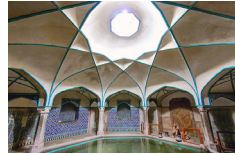

- |                 |              |
|-----------------|--------------|
| ○ white         | ● silver     |
| ● pastel blue   | ● new gold   |
| ● pastel orchre | ● copper     |
| ● pastel green  | ● pink metal |

Notes

Shatterproof, nontoxic material, resistant to cleaning products, color stays true over time

Features

- |                        |  |
|------------------------|--|
| → E12 or E26 lamp base | → Overlapping materials for unique texture |
| → Cost effective       |  |
| → Light weight         | → Made from Polilux                        |
