

Ballon is an impactful and dynamic design with its use of disc panels and led light sources at various angles.

The organic structure is composed of multiple shapes and sizes for suspension and surface wall mounting locations. Combine different wood finishes or colors for a bold look and have the flexibility of a lamp head or panel to rotate at 330° for purposeful light distribution.

Surface

16 x 20"

Suspension

15 x 16"

16 x 20"

30 x 20"

(all sizes are using approximate measurements)

Colors

○ white

● black

● oak

● walnut

● gold and white

● gold and black

Notes

Wood surface finish is Lacquer

Features

→ Adjustable panels 330°

→ Length adjusted with extension tube

→ Canopies in multiple sizes
