

Exceptionally compact. Bella is the ‘dematerialization’ of design, a contemporary disc of light which offers high performance in minimum space.

A complete series with various mounting types: portable, recessed, surface and suspension. Made from die-cast aluminium and an acrylic diffuser in a matte finish, the fixture is durable yet stunning with a collection of five finishes; and a lamp shade accessory, Vestita for the suspension version. Offered at 2700K, with a >90 CRI and delivered lumen of 388lm.

<u>Suspension Modular</u>	118" x 4"Ø
<u>Suspension Pendant</u>	118" x 4"Ø
<u>Surface Wall</u>	4" x x 4"Ø
<u>Portable Table</u>	12" min. x 4"Ø
