

Inspired by the classic table lamp, Firefly's silhouette evokes a connection to its pure function, wherein tradition and innovation are symbiotic.

Firefly is a battery-powered table and peg lamp ideal for spaces that require portability and flexibility. Easy to move and innovative to the core, the removable head houses all of the technology: magnetic coupling system, rechargeable battery via USB-C, LED source and five-step dim control. Firefly is a fantastic solution for lighting exterior areas by solving any constraint of positioning or power supply, while minimizing the impact on the environment.

#### Bollard

Ø4" x 22"

#### Table Lamp

Ø4" x 10"

(all sizes are using approximate measurements)

#### Colors

- white
- champagne
- matte black
- bronze
- titanium
