

Sinuuous but rigorous lines, Flamingo is a family of products with minimal design and maximum flexibility.

Flamingo is a complete family of exterior lights characterized by their long stems and extensive reach. This cylinder light is available in post, surface and suspension applications and a variety of different sizes. The long adjustable arms illuminate large portions of space, creating scenographic effects that are always different, both indoor and outdoor.

Post

17" x 31"

17" x 59"

17" x 74"

Surface

02" x 5"

14" x 5"

55" x 33"

55" x 86"

Suspension

02" x 31"

(all sizes are using approximate measurements)

Colors

● black

○ white

● corten

Notes

Bollards are available with a spike or anchor bolt mount.

Features

→ 3000K

→ IP65 and impact
resistance of IK06

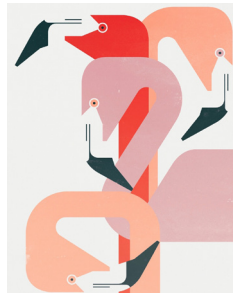

→ Beam spread of 76°
