A transparent apple shaped glass with a solid aluminium core, Apple Mood is a pendant that offers various composition styles and options.

Apple Mood is aptly inspired by the shape of an apple and its many symbolic meanings - immortality, eternal youth, fertility, love and beauty. It is constructed of clear glass with the aluminum core available in polished aluminum, brass, copper, black, green and red. A fantastic option for making a statement in a contemporary space.

Suspension

ø 11" x 11"

ø 4" x 3"

(all sizes are using approximate measurements)

Colors
