

Inspired by the transparency and movement of water, Venexia offers essential shapes with a warm and enveloping light.

Venexia interprets the Venetian atmosphere with personality, replicating the shapes of the wooden “briccole” (markers throughout the lagoon) that dot the canals. A collection of suspension, surface and bollard applications, Venexia combines verticality and circularity with great balance. It is an ideal choice for hospitality sectors like hotels and restaurants, or modern residential settings. Awarded a title at the Archiproducts Design Awards 2020.

Bollard

Ø8" x 17"

Ø8" x 27"

Ø8" x 37"

Surface

Ø8" x 5"

Suspension

Ø8" x 4"

(all sizes are using approximate measurements)

Colors

● corten

● micaceous gray

● matte brass

Notes

The bollard version pairs the matte brass with an elegant wood finish in the fixture stem.

Features

→ 2700K

→ IP65 and IK06

→ Bollard models have fixing system for ground installation.
