Assembly Instructions

The security of the lighting fitting is guaranteed with the correct use of assembly instructions, so it is necessary to follow them up with attention.

- Before starting the assembly, please switch off the main electric current.
- The position of the lighting fitting must be the same as showed at the instructions.
- Separate the wires and the connections of the heat.
- The characteristics of the bulb when you replace it must be the same as the indicated by Zaneen: Led Max 2x3W G9.
- Suitable for use indoors, 25 °C. 50/60 Hz.
- The different parts of the lighting fitting must be cleaned with a smooth rag and non Abrasive Soap.
- Zaneen will replace the defective products only through an authorized seller.
- In case of any doubt please check with a qualified installer.
