DESIGN

Creating illuminating walls. LUM, inspired by Chile's most obtainable raw material, copper. Using basic panels and light panels make it possible to create different design configurations according to the aesthetic and illuminating need of each space

**UPON REQUEST**  
 **Additional Options**  
 \_\_\_\_\_  
 Color Temperature

This customizable magnetic design system has two types of components: panels with no light and panels with LED light. The Panels are interchangeable and can be configured into multiple designs using 2 finishes of Copper: Pure Copper and Oxidized Copper (green)

QUASAR

### SYSTEM GUIDE

Check boxes to complete specification order and submit to [quotes@zaneen.com](mailto:quotes@zaneen.com) to receive a formal BOM and finalized model number  
 For specification purposes, select canopy design and shape [ + D103124 ]

Build Code **D10LUM-MOD-SYS +**
