AVVERTENZE - WARNING - ADVERTENCIAS - AVERTISSEMENTS - WARNUNGEN

IT - AVVERTENZE

- 1) Il simbolo RAEE utilizzato per questo prodotto indica che deve essere smaltito in modo differenziato dai rifiuti urbani generici misti. Pertanto occorre informarsi sulle modalità di smaltimento presso le autorità locali competenti.
- 2) **ATTENZIONE!** La sicurezza del sistema è garantita solo con l'uso appropriato delle seguenti istruzioni, pertanto è necessario conservarle.
- 3) L'installazione, la manutenzione e la regolazione dell'apparecchio sono consentite solo a personale tecnico qualificato, e devono avvenire conformemente alle prescrizioni impiantistiche e sulla sicurezza vigenti nel paese dove viene installato il sistema.
- 4) Prima di effettuare interventi di manutenzione, assicurarsi di avere tolto tensione alla Rete.
- 5) Il costruttore non è responsabile per danni causati da una installazione errata o dall'uso improprio dell'apparecchio.
- 6) L'apparecchio è per uso in ambiente interno, il grado di protezione è IP20;
- 7) Periodicamente è necessario verificare il corretto serraggio delle viti.
- 8) La sorgente luminosa contenuta in questo apparecchio deve essere sostituita solo dal costruttore, dal suo servizio di assistenza o da personale altrettanto qualificato.

FR - AVERTISSEMENTS

- 1) Le symbole DEEE utilisé pour ce produit indique qu'il ne peut pas être traité comme déchets. Pour obtenir les informations sur le juste recyclage, s'il vous plaît contacter les autorités locales.
- 2) **ATTENTION!** La sécurité du système est uniquement garantie avec l'utilisation appropriée des instructions suivantes, il est donc nécessaire de les conserver.
- 3) L'installation, la maintenance et le réglage du système sont autorisés uniquement à personnel qualifié et doivent être effectués conformément aux exigences réglementaires des systèmes électromécaniques et aux exigences de sécurité en vigueur dans le pays où le système est installé.
- 4) Avant d'effectuer des installations ou des assistances, assurez-vous que la tension principale a été enlevée.
- 5) Le fabricant n'est pas responsable des dommages causés par une installation ou utilisation incorrecte.
- 6) Le luminaire est pour usage intérieur uniquement; Le degré de protection est IP20;
- 7) Périodiquement, il est nécessaire de vérifier le serrage correct des vis.
- 8) Le luminaire contenue dans cette unité doit être remplacée seulement par le fabricant, par son service ou par du personnel également qualifié.

EN - WARNING

- 1) The WEEE symbol used for this product indicates that it may not be treated as household waste. Therefore, it is necessary to inquire with the competent local authorities how to dispose of it.
- 2) **WARNING!** System security is only guaranteed with the appropriate use of the following instructions, so it is necessary to preserve them.
- 3) Installation, maintenance and system adjustment are permitted to qualified personnel only, and must be carried out in accordance with the electromechanical systems requirements and safety requirements applicable in the country where the system is installed.
- 4) Before carrying out installations or assistances, make sure the Main Voltage has been switched off.
- 5) The manufacturer is not liable for damage caused by improper use or incorrect installation.
- 6) The luminaire is for indoor use only; the degree of protection is IP20;
- 7) Periodically, it is necessary to check the correct tightening of the screws.
- 8) The luminous source contained in this unit must be replaced only by the manufacturer, by his or her service or by equally qualified personnel.

DE- WARNHINWEISE

- 1) Das für dieses Produkt verwendete EAG-Symbol zeigt an, dass es getrennt vom Haushaltsmüll entsorgt werden muss. Daher ist es erforderlich, sich bei den zuständigen lokalen Behörden über die Entsorgungsbestimmungen zu informieren.
- 2) **ACHTUNG!** Die Sicherheit des Systems ist nur unter Beachtung der folgenden Anweisungen gewährleistet und demnach müssen sie sorgfältig aufbewahrt werden.
- 3) Die Installation, die Wartung und die Einstellung des Systems sind ausschließlich qualifiziertem, technischem Fachpersonal vorbehalten und müssen entsprechend den geltenden Vorschriften in Bezug auf die Anlagen und den Sicherheitsbestimmungen des Landes, in dem das System installiert wird, durchgeführt werden.
- 4) Vor Eingriffen muss sichergestellt werden, dass die Netzspannung getrennt ist.
- 5) Der Hersteller haftet nicht für Schäden, die auf eine falsche Installation oder eine unsachgemäße Verwendung der Leuchte zurückzuführen sind.
- 6) Die Leuchte ist für den Einsatz im Innenbereich bestimmt, der Schutzgrad ist IP20.
- 7) Das Anzugsdrehmoment der Schrauben ist regelmäßig zu überprüfen.
- 8) Die in dieser Einheit enthaltene Lichtquelle muss ersetzt werden nur durch den Hersteller, durch seinen Dienst oder durch gleich qualifiziertes Personal!

ES - ADVERTENCIAS

- 1) El símbolo WEEE utilizado para este producto indica que no se puede eliminar como cualquier otra basura. Por lo tanto, usted debe consultar a las autoridades locales sobre el reciclaje del mismo.
- 2) **¡CUIDADO!** La seguridad del sistema está garantizada únicamente a través del uso apropiado de las siguientes instrucciones, por lo tanto es necesario mantenerlas.
- 3) La instalación, mantenimiento y regulación del sistema se permite únicamente por personal técnico cualificado y deben estar en conformidad con las indicaciones sobre instalaciones eléctricas y las normas de seguridad locales en el país donde está instalado el sistema.
- 4) Antes de llevar a cabo intervenciones, asegúrese de haber quitado la tensión de la red.
- 5) El fabricante no se hace responsable de los daños causados por la instalación o uso incorrecto.
- 6) La luminaria es para uso en interiores, el grado de protección es "IP20";
- 7) Periódicamente, es necesario comprobar el correcto apriete de los tornillos.
- 8) La luminaria contenida en esta unidad debe ser reemplazada solo por el fabricante, por su servicio o por personal igualmente calificado.

Disclaimer: Applicable only when Zaneen's lighting fixtures are properly installed on correct line voltage, and under normal conditions of use.

Zaneen Warranties are itemized below:

- All products to be free from defect in materials and workmanship: 1 Year (12 months) Limited Warranty from the invoice date (excluding lamps)
- LED engines and Power Supplies: 5 Years Limited Warranty from the invoice date.
- Transformers and Ballast Warranty: 3 years Limited Warranty from the invoice date.
- Purchaser's sole recourse after the warranty period, for defective power supplies, ballasts or other components manufactured by a third party, is against such third-party manufacturer.

Warranty claims regarding the product(s) must be submitted in writing within 30 days, of discovery of the defect.

Zaneen uses only electrical components, which are produced by responsible manufacturers. Components that may fail in service within the warranty period, under normal use, will be replaced at no charge.

Zaneen will not assume labour or transportation charges in connection with replacement of such parts, nor for removal or re-installation of equipment or parts, nor for consequential damages or losses.

The warranty extended to Zaneen by the manufacturers of the electrical components is passed on to our customers.

At its option, Zaneen will repair or replace, any fixture defective as provided herein if such fixture is returned by the purchaser within the warranty period, provided Zaneen has issued a written "Return Goods Authorization". Such repair or replacement is the exclusive remedy against Zaneen and Zaneen is not responsible for damage of any sort whatsoever, including incidental and consequential damages or losses.

This warranty extends only to replacement defective fixtures or components and no allowance will be made for labour or transportation charges in connection with replacement of such parts, nor for removal or re-installation of equipment or parts unless specifically authorized in writing by Zaneen prior to any work being performed.

This warranty only applies when the products are installed in applications in which ambient temperatures are within normal temperatures and are operated within the electrical values shown on the LED driver label.

Zaneen Interior rated luminaries are not protected from environmental conditions, such as salt content from sea air. Therefore, any damages resulting from exposure to salt air, or other harmful environmental conditions, will not be covered under Zaneen Warranty.

Zaneen will not be responsible under warranty for any failure of the product that results directly or indirectly from improper installation and/or external causes such as: acts of nature, physical damage, and exposure to adverse or hazardous chemicals or other substances, use of harsh cleaning agent or harsh chemicals.

Warranty for any substantial deterioration in the product finish caused by failure to clean, inspect or maintain the finish of the product. The end user is responsible for the structural integrity of existing foundations, anchorages, or structures and all consequences arising from their use.

Zaneen will not be responsible under warranty for any failure of the product that results directly or indirectly from improper installation and/or external causes such as: acts of nature, physical damage, and exposure to adverse or hazardous chemicals or other substances, use of harsh cleaning agent or harsh chemicals.

The end user is responsible for the structural integrity of existing foundations, anchorages, or structures and all consequences arising from their use.
