

**Attention !**  
Do not plug in or unplug the  
connector when power is on!  
120V 50/60HZ

UNIVERSE Disc  
design: Jan Pauwels

Classified fittings whose safety is guaranteed by the earth connection

NL

**Montagevoorschrift:**

- Netspanning uitschakelen tijdens montage.
- Plafondbeugel (A) en aan het plafond monteren met 2 schroeven.
- 120V bedrading (B) aansluiten op de 120V ingang van de transformator (C).
- Aardendraad aansluiten (G).
- De 12V-draden (D) (+ en -) door trekontlasters (E) schuiven, juiste lengte bepalen, inkorten en vastzetten met schroef (E)
- De 12V-draden (D) aansluiten op 12V - uitgang van transformator. (F)
- Bovenbak (I) over de plafondbeugel (A) schuiven en draadbol (I) vastdraaien.

**Productinformatie:**

Het messing of nikkel onderhouden met een zachte doek of plumeau.  
ATTENTIE: Nooit dit armatuur reinigen met een vochtige of natte doek terwijl de lamp brandt.

**Lichtbronnen:**

160 x E10 / 1,2W / 12V  
6 x 12V / 20W

GB

**Instructions:**

- Switch off electricity during mounting.
  - Fix application (A) to the electrical box
  - Connect 120V contact wires (B) to the 120V entrance (C) of the transformer.
  - Connect grounding wire (G)
  - Push the 12V-wires (D) (+ and -) through the cable-grips (E), define the length, cut the wires and turn tight the cable-grip.
- Now connect 12V-wires (D) to the 12V-exit of the transformer (F).
- Move suspension (H) to the ceiling and turn brass bullet tight (I).

**Productinformation:**

Clean the brass or nickel with a soft cloth or a feather-duster.  
ATTENTION: Do never clean this light with a moistured or wet cloth when the light is on.

**Light:**

160 x E10 / 1,2W / 12V  
6 x 12V / 20W

D

**Montagehinweiss:**

- Einspeisung ausstellen während Montage.
- Buegel mit Transformator (A) an der Decke montieren mit 2 Schrauben.
- 120V Drahten (B) anschliessen auf der 120V Eingang vom Transformator.(C)
- Erde (G) anschliessen auf Lüsterklemme.(B)
- Die 12V-Kabeln (D) (+ und -) durch Zugentlastung (E) schieben, auf Länge einkurzen und anschliessen auf den 12V Ausgang (F) vom Transformator.
- Baldachin (H) über dem Bügel (A) schieben und Kugel (I) auf Draht festdrehen.

**Produktinformation:**

Die Armatur reinigen Sie mit einem sanftem trockner Tuch oder mit einem Federwedel.  
ACHTUNG: Sie sollen nie diese Armatur mit wasser oder einem feuchtemTuch berühren wenn die Leuchte brennt.

**Leuchtmitteln:**

160 x E10 / 1,2 W / 12V  
6 x 12V / 20W

Disclaimer: Applicable only when Zaneen's lighting fixtures are properly installed on correct line voltage, and under normal conditions of use.

Zaneen Warranties are itemized below:

- All products to be free from defect in materials and workmanship: 1 Year (12 months) Limited Warranty from the invoice date (excluding lamps)
- LED engines and Power Supplies: 5 Years Limited Warranty from the invoice date.
- Transformers and Ballast Warranty: 3 years Limited Warranty from the invoice date.
- Purchaser's sole recourse after the warranty period, for defective power supplies, ballasts or other components manufactured by a third party, is against such third-party manufacturer.

Warranty claims regarding the product(s) must be submitted in writing within 30 days, of discovery of the defect.

Zaneen uses only electrical components, which are produced by responsible manufacturers. Components that may fail in service within the warranty period, under normal use, will be replaced at no charge.

Zaneen will not assume labour or transportation charges in connection with replacement of such parts, nor for removal or re-installation of equipment or parts, nor for consequential damages or losses.

The warranty extended to Zaneen by the manufacturers of the electrical components is passed on to our customers.

At its option, Zaneen will repair or replace, any fixture defective as provided herein if such fixture is returned by the purchaser within the warranty period, provided Zaneen has issued a written "Return Goods Authorization". Such repair or replacement is the exclusive remedy against Zaneen and Zaneen is not responsible for damage of any sort whatsoever, including incidental and consequential damages or losses.

This warranty extends only to replacement defective fixtures or components and no allowance will be made for labour or transportation charges in connection with replacement of such parts, nor for removal or re-installation of equipment or parts unless specifically authorized in writing by Zaneen prior to any work being performed.

This warranty only applies when the products are installed in applications in which ambient temperatures are within normal temperatures and are operated within the electrical values shown on the LED driver label.

Zaneen Interior rated luminaries are not protected from environmental conditions, such as salt content from sea air. Therefore, any damages resulting from exposure to salt air, or other harmful environmental conditions, will not be covered under Zaneen Warranty.

Zaneen will not be responsible under warranty for any failure of the product that results directly or indirectly from improper installation and/or external causes such as: acts of nature, physical damage, and exposure to adverse or hazardous chemicals or other substances, use of harsh cleaning agent or harsh chemicals.

Warranty for any substantial deterioration in the product finish caused by failure to clean, inspect or maintain the finish of the product. The end user is responsible for the structural integrity of existing foundations, anchorages, or structures and all consequences arising from their use.

Zaneen will not be responsible under warranty for any failure of the product that results directly or indirectly from improper installation and/or external causes such as: acts of nature, physical damage, and exposure to adverse or hazardous chemicals or other substances, use of harsh cleaning agent or harsh chemicals.

The end user is responsible for the structural integrity of existing foundations, anchorages, or structures and all consequences arising from their use.
