

ZERO SHAPES MODULAR SYSTEM

SPECIFICATION SHEET

DESIGN

ZERO SHAPES is a family of light profiles composed of the Zero Ellipse, Zero Round, and Zero Square. The body is made of extruded curved aluminum with an opal polycarbonate screen covering an LED strip which runs the internal side of the profile. The minimalism of the structure combined with the emission of internal light gives the luminaire an incredible lightness

The ZERO SHAPES collection is designed for clustering and cascading and the canopies are sold separately providing flexibility in size, configuration, and design. Standard finishes available are painted white, black, titanium, bronze and matte brass

PANZERI®

UPON REQUEST

- ☒ **Additional Options**
- Color Temperature
- Individual Sizes
- Acoustic (non-illuminated)
- Rod Suspended

SYSTEM GUIDE

Check boxes to complete specification order and submit to quotes@zaneen.com to receive a formal BOM and finalized model number
For specification purposes, select canopy design and shape [+ D89058 - DV - WHI]

Build Code D8ZER-MOD-SYS +
