8MM

- The 8MM surface wall light boasts a contemporary look with its extended rectangular-shaped extruded aluminum body, making it a stylish addition to any space.
- This wall lamp exudes a refined elegance with its minimalist design, blending seamlessly into various interior styles while adding a touch of sophistication.
- Choose between two LED color temperatures, 2700K or 3000K, to perfectly match your ambiance needs. Both options provide excellent lighting quality, enhancing any environment with the ideal balance of brightness and warmth.
- The 8MM wall light delivers superior lighting performance, ensuring that any space it illuminates benefits from clear, vibrant, and evenly distributed light.

8MM

Adamas

- Adamas features a multifaceted design inspired by the timeless beauty of diamonds, capturing and reflecting light in every direction to create a dazzling and elegant centerpiece.
- This lighting fixture not only serves as an illumination source but also elevates any space with its radiant charm, transforming rooms into havens of opulence and sophistication.
- Designed to provide an inviting and warm glow, Adamas enhances the ambiance of any room, making it a perfect addition to both residential and commercial interiors.
- Adamas is a versatile lighting solution that seamlessly integrates into various design styles while adding a touch of elegance and grandeur to any space.

Adamas

Albatros

- Albatros is a fusion of artistic expression and functional design. Built from a sleek, curved brass profile, it adds a refined element to any wall.
- Its adjustable structure allows for both direct and indirect lighting, depending on your mood or need.
- Features high-efficiency LED micro-strips, offering strong illumination while keeping energy use low.
- Comes in a range of sizes and light intensities, making it adaptable to various spaces and atmospheres.
- Flexible metal rods let you reshape and customize the fixture, turning it into a personal light sculpture.
- With Albatros, your wall becomes a canvas of light, movement, and design versatility.

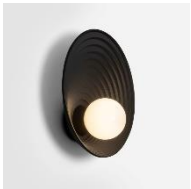

Albatros

Albor

- Albor brings the warmth of a sunrise indoors, casting a soft, soothing light ideal for creating a calm atmosphere.
- Its circular shape and blown glass diffuser spread a gentle glow that adds serenity to any space.
- Handcrafted from ceramic using an artisanal process, each piece is unique – blending lighting with sculptural beauty.
- Offered in a variety of color finishes, Albor can complement different interiors with ease.
- The lamp features a clever magnetic mounting system using neodymium magnets, making installation simple and seamless.
- Albor is a statement piece that balances elegance and functionality.

Albor

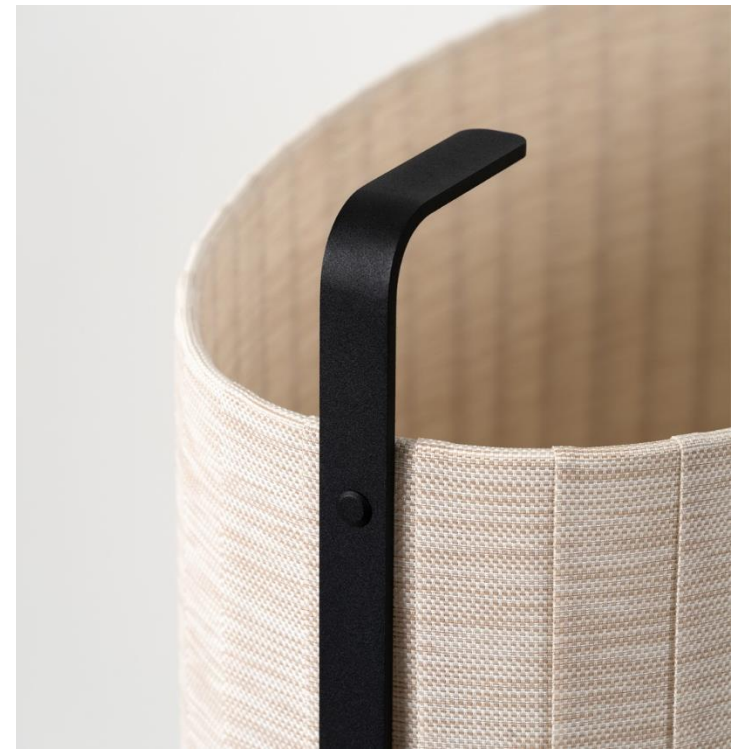

Amid

- Amid's warm and delicate light creates a cozy and intimate atmosphere, perfect for spaces designed for dialogue and relaxation.
- Now available in four sizes, including a table lamp and three floor lamps, Amid allow is for flexible design combinations.
- Acts as a screen-like fixture, enabling the creation of distinct environments within the same space using light.
- Multiple sizes can be combined to generate rhythm and visual interest in any setting.

Amid

Arctic Circle

- Meticulously crafted with attention to detail, the intertwining fabric ribbons create a captivating visual play that balances solidity and lightness, adding an intriguing focal point to any space.
- The acid-etched blown glass shade diffuser adds elegance while ensuring a soft, soothing glow, enhancing the ambiance with gentle and diffused light that creates a warm and inviting atmosphere.
- Available in three different sizes, Arctic Circle collection offers versatility in design, allowing you to mix and match to create your own unique lighting arrangement that perfectly complements your interior decor, whether you choose a single fixture or combine various sizes.
- The fabric ribbons are available in two color choices, green and cream.

Arctic Circle

Bevici Su

- Bevici Su is designed to enhance the best moments of everyday life with its warm and inviting illumination, creating a cozy atmosphere in any setting.
- Combining aesthetics and functionality, Bevici Su features harmonious shapes and stylish finishes that seamlessly integrate into various decor styles, adding a touch of tasteful harmony.
- With its rechargeable capability, Bevici Su offers flexibility in placement without the need for constant access to power outlets, ideal for versatile use around a restaurant or home space.
- Available in new finishes, Bevici Su allows you to explore different design possibilities, promising to elevate your decor with its versatile charm and illuminating presence.

Bevici Su

Bolla

- The Bolla lighting fixture pays tribute to the sphere with its iconic shape, making it a standout piece that adds elegance and style to any space.
- Each Bolla fixture showcases the art of Murano glassmaking, where the color is integrated into the glass paste itself. This ensures a unique and exquisite appearance that reflects the craftsmanship of skilled artisans.
- The smoked or opaque upper portion ensures that when viewed directly, the light is diffused and gentle on the eyes, while the translucent bottom allows more light to reach surfaces, creating an optimal balance of ambiance and functionality.
- Bolla is offered in 5 diameter sizes and 3 unique glass options, including opal, smoke and Filigrana, allowing for enhanced customization.

Bolla

Breganze+Fara

- Inspired by Italian sculptor Marisa Merz, the lamp's design features an organic circular form with a delicately peeled-back opening.
- The unique opening provides ample space for easy access to the E26 light bulb, combining artistry with practicality.
- Perfect for highlighting a room area, artwork, or serving as a bedside lamp, Breganze+Fara offers a soft glow that bounces gently off walls.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Breganze+Fara

Buchi

- Buchi is a series of suspension lights inspired by the night sky, evoking the brilliance of stars and constellations with its mesmerizing design.
- Available in round and square shapes, these aluminum-crafted lamps come in various sizes and luxurious finishes, including gold, silver, bronze, and copper.
- Perfect for enhancing both intimate spaces and grand environments such as hotel lobbies, lofts, and prestigious offices, offering elegance and sophistication.
- Fully customizable, the Buchi collection empowers architects and designers to create large-scale installations tailored to their creative vision, making it a versatile choice for any setting.

Buchi

Bucola

- Bucola is a striking collection of suspension and floor lamps that blends harmony, elegance, and a touch of the cosmos.
- Inspired by the sparkle of a starlit sky, it features a sculptural aluminum dome that gently wraps around the light source.
- Light filters through subtle, star-like perforations, creating a play of color and glow reminiscent of celestial light.
- Bucola offers a range of customization options, including refined finishes and premium metallic leaf textures. Whether you choose a warm gold, deep bronze, or bold hue, Bucola can be tailored to match your aesthetic perfectly.
- This collection combines artistic craftsmanship with atmospheric lighting, making it ideal for both modern and classic spaces.

Bucola

Cassola+Cassola

- Features a striking design with two stacked spheres of hand-sculpted clay, showcasing unique markings and subtle bends for added character, and is hand-signed at the base.
- Its oversized lampshade casts a soft, diffused glow, creating a cozy warmth while providing ample illumination for any space.
- The adjustable lampshade tilts for versatility and can be customized with or without fringe, with multiple glaze colors available to complement various decor styles.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Cassola+Cassola

Cassola Wall

- Features a spherical form, sculpted and peeled open like a flower or sun, adding an organic and sculptural touch to your walls.
- Part of the Merz series, it uses a mirrored LED retrofit light to create a gentle, indirect glow by bouncing illumination from the back.
- Available in a variety of glaze colors, each hue influences the light it casts, with options like warm amber stone glaze producing a luxurious, flattering amber glow.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Cassola Wall

Chiave Di Sol

- Chiave Di Sol features a modern design highlighted by soft curves and a sleek profile, enhancing contemporary interior spaces with its stylish presence.
- Available in four 'leafing' finishes, Chiave Di Sol offers options that provide depth and texture, complementing different decor styles and adding visual interest.
- Equipped with four LED strips, Chiave Di Sol emits a strong yet soft light that creates a striking impact, perfect for both ambient illumination and focal lighting.
- Offered in one size, Chiave Di Sol ensures simplicity in selection while maintaining versatility and functionality as a standout piece in modern home or office settings.

Chiave Di Sol

Cosmos Vertical

- Cosmos Vertical is a suspension light that adds an artistic, vertical dimension to any space with its unique, elongated structure.
- Composed of randomly placed LED circuit boards and slender metal rods, this design creates a dynamic and visually captivating shape.
- The LED circuit boards emit 2/3 of the light downward and 1/3 upward, offering balanced lighting that enhances both functionality and aesthetics.
- Each Cosmos Vertical fixture is meticulously handmade, making every piece one-of-a-kind, blending art with innovative lighting design.

Cosmos Vertical

Cube

- Cube features a clean, cubic form with rounded edges that adds modern elegance to any interior with its minimalist design that can complement a wide range of decor styles.
- The tasteful wood material on the fixture's rim adds a hint of rustic charm and enhances the light's warmth.
- Cube is available in four sizes: small, medium, large, and extra-large, which allows for customization by selecting the perfect size or mix-and-matching to create unique compositions.
- Designed for surface wall or ceiling installation, Cube ensures flexibility in placement.

Cube

Dalma

- Dalma's blown glass design features unique wave-like interior forms, creating a mesmerizing visual effect that evokes the beauty of natural phenomena.
- This innovative construction introduces a dynamic layering of glass, creating a sense of movement that balances serenity and energy in any space.
- Available in suspension, portable, and surface-mounted options, Dalma offers flexibility to suit various lighting needs and architectural environments.
- Choose from a variety of elegant color finishes to match the aesthetic of any space, ensuring a blend of simplicity with an iconic presence.

Dalma

Dao

- Dao is a timeless collection of ribbed pendant lights, offering simplicity and elegance in design.
- Its versatility and variety of glass finish combinations make it ideal for both standalone use and multiple compositions.
- The luminous core reveals a unique silhouette when illuminated, while the sophisticated metallic finishes create elegant chromatic combinations.
- Available in suspension applications, with or without a canopy, Dao adds a refined touch to any setting.

Dao

Dial

- Offers both ambient illumination and targeted spot lighting, catering to various needs within a room.
- With its sleek circular shape and fusion of metal and cord, Dial adds a touch of modern sophistication to any space. Its minimalist yet stylish appearance makes it a versatile addition to diverse interior aesthetics, elevating the overall decor effortlessly.
- Embracing eco-consciousness, Dial incorporates a polyester cord made from recycled plastic bottles, including those collected from the sea. This commitment to sustainability not only reduces plastic waste but also contributes to the preservation of our oceans.

Dial

Doppiozero

- DoppioZero is a sleek and adaptable light fixture designed for both suspension and wall/ceiling mounting.
- Inspired by celestial forms, its design features two overlapping steel discs that evoke the quiet drama of an eclipse.
- The fixture includes a 360° swivel joint, offering full control to angle the light exactly where it's needed.
- In its suspended version, it hangs with a delicate, almost weightless presence, thanks to a near-invisible support wire.
- Built with clean lines and no visible welds or openings, it reflects craftsmanship and purity in design.
- Available in a range of refined color finishes, DoppioZero offers the freedom to complement a variety of interiors.

Doppiozero

Drums

- Combines metal craftsmanship with marble artistry for a luxurious, timeless look.
- Elegantly houses two G9 LED bulbs in the satin pyrex tube diffuser, emitting a warm and inviting glow.
- Available in finishes that exude a sense of opulence, making it a statement piece in any decor.
- Transcends trends and time with an understated yet charismatic presence, serving as the focal point of any space.

Drums

Eclipse

- Eclipse features rings that offer endless possibilities for customization. You can create your own unique composition by choosing the number, size, distance, and angle between the rings, allowing for a lighting installation that reflects your personal style and vision.
- Whether you prefer a compact, intimate cluster or a grand, expansive display, Eclipse adapts effortlessly to your preferences, making it suitable for a variety of spaces from residential to commercial settings.
- Eclipse sets itself apart with its innovative chip-on-board LEDs, which provide a distinctive look and feel. This technology not only enhances the visual appeal but also ensures efficient lighting performance with a modern, cutting-edge allure.
- Eclipse serves as a captivating addition to any space, combining aesthetics with functionality to create a focal point that enhances the ambiance and style of the room.

Eclipse

Elle

- Personalize every element of your Elle lamp, from diffuser shapes to dimming and mounting options, ensuring it meets your specific project needs.
- Choose from triangle, cylindrical, or rectangular diffuser shapes, with 3-step touch dimming and bolt-down or portable configurations for maximum flexibility.
- A fantastic option for high-quantity projects like restaurants, libraries, or shared office spaces, offering a cohesive yet customizable lighting solution.
- Available in matte black, white, or metallic bronze finishes, Elle lamps add a touch of modern elegance to any setting.

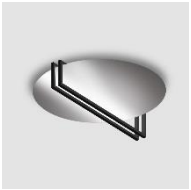

Elle

Essenza

- Essenza is a versatile lighting solution available as a surface wall light, ceiling light, or suspension light, combining sophisticated design, functionality, and craftsmanship.
- Features a thin, round disc reflecting light into the room and two off-center metal strips carrying the LED light source, creating a sculptural and customizable design.
- Available in four sizes and several textural finishes, including Gold Powder and Brushed Bronze, allowing for personalized positioning and ambiance creation.
- Designed as a true light sculpture, Essenza emphasizes pure forms and evokes contemporary art with its slender metal features and luxurious finishes.

Essenza

Fara Wall

- Features a sculpted spherical form, peeled open like a flower or sun, adding a natural and delicate sculptural element to walls.
- Part of the Merz series, it utilizes a mirrored LED retrofit light to bounce illumination from the back, creating a soft, indirect glow.
- Available in a variety of glaze colors, each influencing the light it casts, such as the warm amber stone glaze, which creates a luxurious, flattering amber glow.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Fara Wall

Fiamma

- Fiamma is a modern blown glass suspension light crafted from borosilicate glass with a frosted top and transparent lower portion, creating a sleek and elegant design.
- The glass threads directly onto the holder, eliminating the need for excess hardware, and features a white metal canopy with options for customized colors and various sizes for clustering configurations.
- Offers two light sources: integrated LED module or retrofit LED, providing flexibility for different lighting needs.
- Ideal for hospitality sectors like lobbies or staircases, as well as large residential spaces, thanks to its versatile and expansive composition options.

Fiamma

Firenze Cipolla

- Firenze Cipolla features a clean, elegant oval shape crafted from ribbed blown glass.
- Its timeless design makes it a versatile choice for a wide range of interiors and environments.
- Each piece is handmade, capturing the essence of a swirling hand gesture in its form.
- Available as a suspension light, portable lamp, or wall fixture, offering flexibility in application.
- The collection is offered in multiple color finish options, allowing for full customization.

Firenze Cipolla

Firenze Palla

- Firenze Palla showcases a pure, rounded form crafted from elegant ribbed blown glass.
- Its minimalist and timeless design makes it adaptable to a wide range of spaces and styles.
- Each piece is handmade, inspired by the fluid, circular motion of a hand gesture.
- Available in suspension, portable, and wall-mounted formats for maximum versatility.
- Offered in a variety of color finishes, allowing for tailored design integration across environments.

Firenze Palla

Flippo

- Flippo is a ceiling-mounted light with a sleek, minimalist design that fits seamlessly into contemporary interiors.
- Its central light source and satin diffuser work together to create a warm, diffused light that adds comfort to any room.
- Available in multiple sizes, finishes, and colors, so you can find the right combination for your space.
- Whether installed alone or grouped in threes, Flippo allows for creative ceiling arrangements.
- While modern in appearance, its simplicity gives it a classic quality that works well over time.
- Flippo is ideal for those who appreciate understated design that still makes an impression.

Flippo

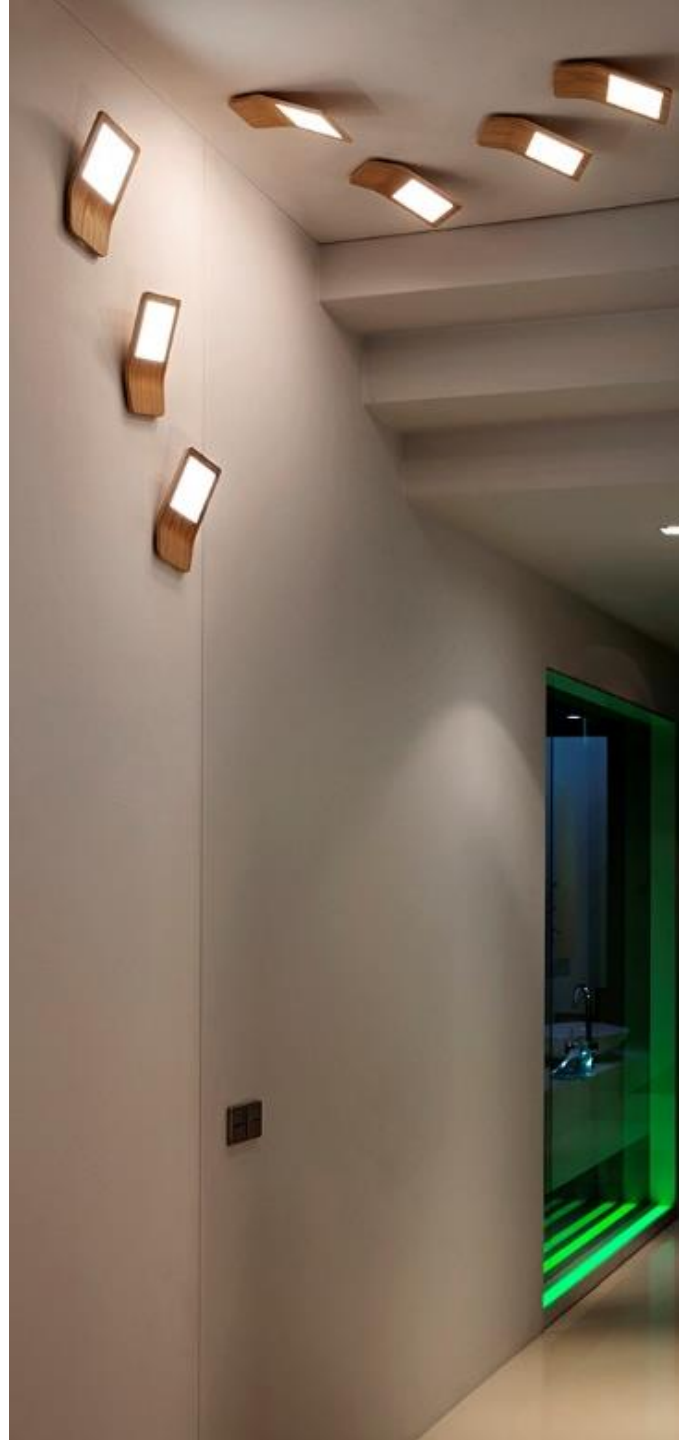

Flutter

- Flutter merges cutting-edge technology with natural wood, featuring ultra-thin panels inspired by the delicate beauty of butterfly wings for efficient and refined light distribution.
- Available in oak, birch, and walnut finishes, it seamlessly enhances walls and ceilings with its graceful design, blending into any interior environment.
- Equipped with state-of-the-art LED panels, it delivers soft, powerful, dimmable illumination, offering versatile options for customized lighting atmospheres.
- Suitable for single installations or group arrangements, Flutter balances craftsmanship and modern technology, elevating any space.

Flutter

Geo

- Combines art and functionality, showcasing a blown glass body shaped into a captivating sphere with gentle flattening at the poles.
- Exudes a sense of minimalism and cleanliness, making it the perfect choice for those who appreciate the beauty of simplicity and the allure of elegance.
- Meticulously crafted, a testament to the artistry and precision of its creators, ensuring high quality and aesthetic appeal.
- Ideal for various settings, Geo's minimalist design and elegant form make it a versatile decorative lamp that enhances any space with its understated charm.

Geo

Gi Gi

- Gi Gi transforms steel into a captivating piece of art, designed as a surface ceiling and wall light available in two sizes.
- Its folded design evokes the wonder of a treasure chest or an oyster revealing its brilliance, combining functionality with artistic expression.
- Offered in luxurious finishes, including gold leaf, copper leaf, bronze leaf, and silver leaf, to complement any interior aesthetic.
- Gi Gi radiates sophistication and elegance, serving as both a light source and a stunning decorative element for any room.

Gi Gi

Hex

- Hex is a modular lighting system designed for creating customized linear solutions that adapt to various interior styles and needs.
- Its modular design allows for easy connection of units in different lengths and shapes, including L, J, Y, and X, enabling both simple lines and complex configurations.
- Equipped with an advanced opal diffuser, Hex provides efficient, low-glare illumination that enhances ambiance while maintaining light quality.
- Available in elegant finishes of oak, ash, and black, Hex combines exceptional lighting performance with a sophisticated aesthetic.

Hex

Hula Hoop

- The Hula Hoop series combines circular elementary shapes in captivating ways, resulting in luminaires with a strong, distinct character, resembling the fluid motion of a hula hoop.
- Meticulously crafted to infuse a touch of elegance and charm, the Hula Hoop collection seamlessly blends simplicity and sophistication.
- Features high-quality LEDs that provide both reflected and diffused light, creating a welcoming atmosphere that enhances any room.

Hula Hoop

Hydra

- Hydra draws inspiration from the brilliance of the Hydra constellation, featuring a sleek design with a frosted glass bulb that diffuses light through a handcrafted glass shade for a soft, uniform glow.
- Equipped with a high-quality LED source, it ensures efficient and radiant illumination, adding warmth and elegance to any room.
- Available in suspension, surface wall, and ceiling versions, with multiple sizes and color options, Hydra adapts seamlessly to various environments.
- Combining minimalist aesthetics with striking decorative appeal, Hydra transforms spaces with light that transcends boundaries of space and time.

Hydra

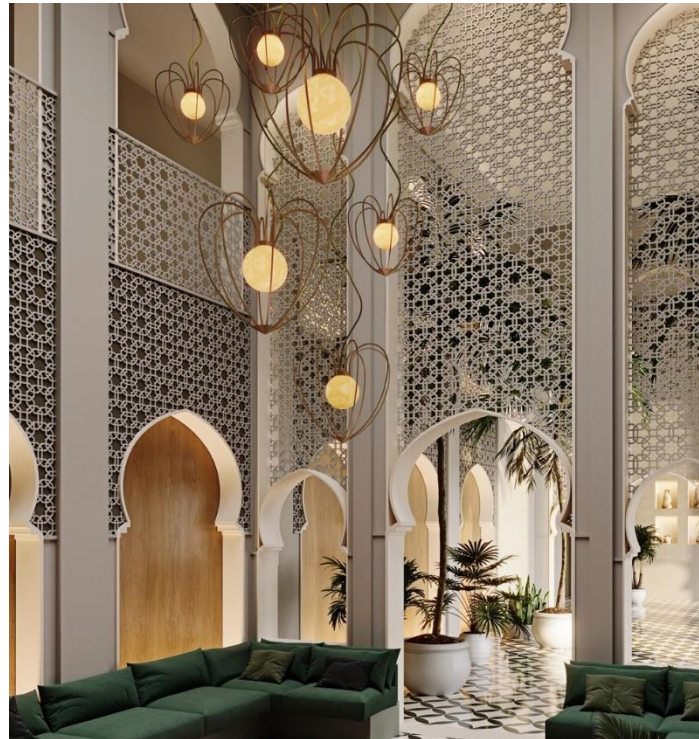

Kengi

- Blends organic forms with the sleek, geometrical aesthetics of Art Deco. This fusion creates a captivating and elegant lighting fixture that captures the essence of natural beauty.
- Each Kengi light is a masterpiece of artisanal skill, featuring a hand-blown glass ball encased in a unique heart-shaped metal structure.
- Designed with proportional aesthetics in mind, with cable thickness varying according to the fixture size. This careful engineering guarantees not only visual symmetry but also structural stability, ensuring that the light hangs perfectly balanced from any ceiling height.

Kengi

La Stilla

- Effortlessly combines the timeless elements of light and appearance of water, creating a stunning luminaire that adds an element of elegance and sophistication to any space.
- Available in suspension, surface ceiling, and surface wall applications, La Stilla offers versatility in placement, allowing for customized lighting solutions tailored to different spatial requirements and design preferences.
- The perfectly shaped glass enhances the play of light from various angles. When viewed from below, the fixture creates a circular pool of light. However, when observed from the side, the inner glass is distinct from the outer, resulting in a mesmerizing effect.
- La Stilla is offered in 8 color finishes and 4 diameter sizes, allowing for enhanced customization.

La Stilla

Land

- Land features a nature-inspired design, which embraces the essence of the Earth with organic textures and a serene Mediterranean aesthetic, turning each piece into sculptural art.
- Using authentic materials, Land is meticulously crafted to highlight the organic beauty of natural materials, adding a touch of authenticity and warmth to any space.
- Offers a range of options including a table lamp, wall light, and ceiling light, allowing for easy curation of versatile lighting designs.
- Ideal for both residential sanctuaries and hospitality settings, infusing spaces with natural charm and a calming ambiance.

Land

Le Gigue

- Offers various configurations with cascading elements that create a captivating sense of movement and depth.
- Each element features a curved design that plays with reflections, enhancing the illumination of both the fixture and its surroundings.
- Elements are arranged at varying heights, giving an elegant, floating appearance that adds a dramatic touch to any space.
- Available in a wide range of color finishes, including luxurious metallic leafing, allowing customization to match any decor style.
- Each fixture from this partner is treated as a unique work of art, crafted with artistic finishes and materials that elevate the visual appeal of their designs, resulting in true masterpieces.

Le Gigue

Marostica+Cassola Open

- Designed to provide strong, focused lighting, ideal for creative spaces like art studios, fashion ateliers, and painting studios.
- Part of the Merz series, its sculptural form serves as both a functional light source and a statement art piece, making it a favorite among creatives for illuminating artwork or brightening workspaces.
- Available in a range of glaze colors, each hue impacts the light's ambiance, with options like an amber glaze producing a warm, luxurious glow for a soft, moody atmosphere.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Marostica+Cassola Open

Masai

- Masai draws inspiration from the Masai warrior's shield, translating its iconic shape into a contemporary artwork that transforms light into a captivating display.
- Crafted with thin and rounded shapes, Masai effortlessly blends elegance with visual appeal, making it a focal point in any interior setting.
- Each piece in the Masai collection illuminates spaces with sophistication, featuring metals adorned with precious gold and silver finishes, enhanced by varnishes for a luxurious aesthetic.
- Masai lamps are more than lighting fixtures; they are cherished artifacts that elevate room ambiance with their distinctive design and refined presence, adding a touch of artistic charm and luxury to modern interiors.

Masai

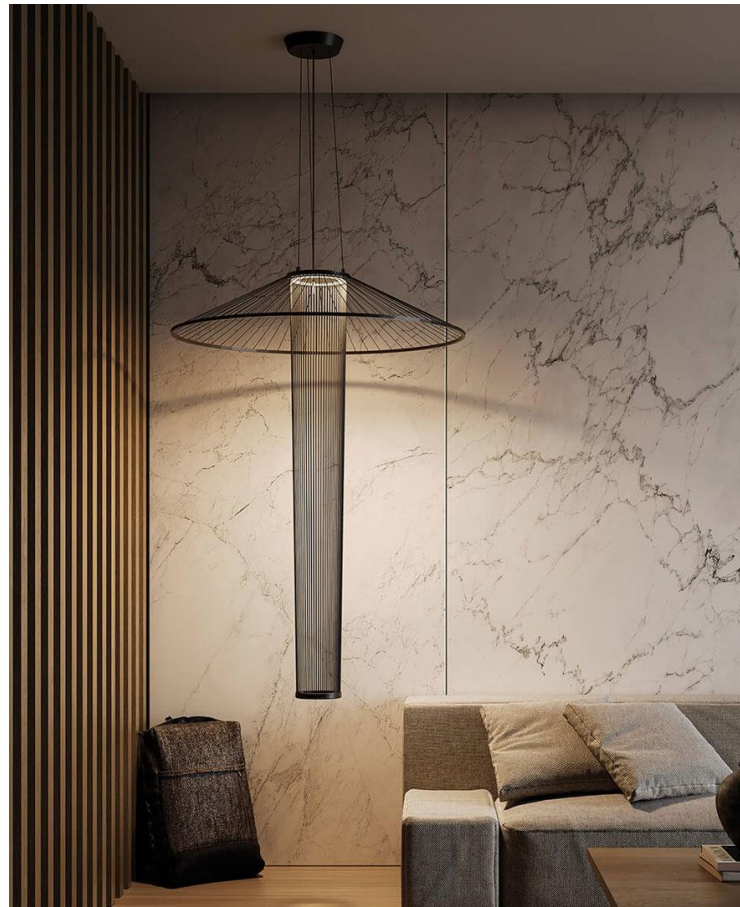

Medusa

- Medusa is a sustainable pendant light crafted from recycled cord material, combining eco-consciousness with elegant design.
- Inspired by the fluid movement of jellyfish — the “ballerinas of the sea” — it brings poetic beauty and a sense of motion to any space.
- Its adjustable design lets you raise or lower the rings, allowing playful control over shape, volume, and height.
- The fixed upper ring casts a soft ambient glow, while the movable lower ring provides focused illumination for surfaces.
- More than a light fixture, Medusa is a sculptural statement — functional, expressive, and inspired by the hypnotic charm of the ocean.

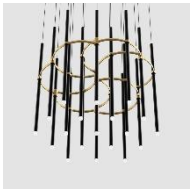

Medusa

Metropolis

(C Connector and Halo)

- The popular Metropolis collection has expanded to now include the Luminous Halo (available with each Metropolis series), and the Metropolis-C, offering new customization options.
- The Luminous Halo is an elegant frosted drop lens that extends the height of the cylinder by 20mm, adding a refined touch to the lighting design.
- Metropolis-C uses a die-cast aluminum C-shaped connector to create stunning compositions of clustered Metropolis LED tubes, perfect for bold lighting statements.

Metropolis-C

Mokka

- Mokka is a sculptural table lamp that brings a sense of calm and elegance to any surface it rests on.
- Its sleek conical shape and distinctive color finishes make it both a functional light and a striking design statement.
- With geometric simplicity at its core, Mokka emits a soft, ambient glow that enhances moments of quiet or reflection.
- The lamp casts intricate shadows, adding depth and texture to the space while maintaining a warm, soothing atmosphere.
- Whether used as a serene focal point or a subtle accent, Mokka enriches the environment through its thoughtful interplay of light and shadow.

Mokka

Moonlight

- The unique round shape of Moonlight is designed to capture and reflect light in a way that fills your space with a soft, enchanting glow. This creates the perfect ambiance for relaxation and socializing, making every moment under Moonlight magical.
- Whether you choose a single pendant for a subtle statement or combine multiple units for a dramatic effect, Moonlight allows you to create a lighting arrangement that's uniquely yours.
- Transcends traditional lighting, presenting itself not just as a luminaire but as a piece of art. Its elegant design and artistic influence elevate any space, transforming mere light into an aesthetic experience.

Moonlight

Nove+Crespano

- Combines a tall, elegant design with subtle artistic details, featuring a twisted bottom sphere and sleek rectangular form, perfect for smaller spaces.
- Its adjustable lampshade pairs well with its slimmer size, making it an excellent reading lamp or accent piece.
- Named after Nove and Crespano, the lamp captures the charm and tranquility of Veneto's past, bringing a sense of refined simplicity and a connection to nature into any room.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Nove+Crespano

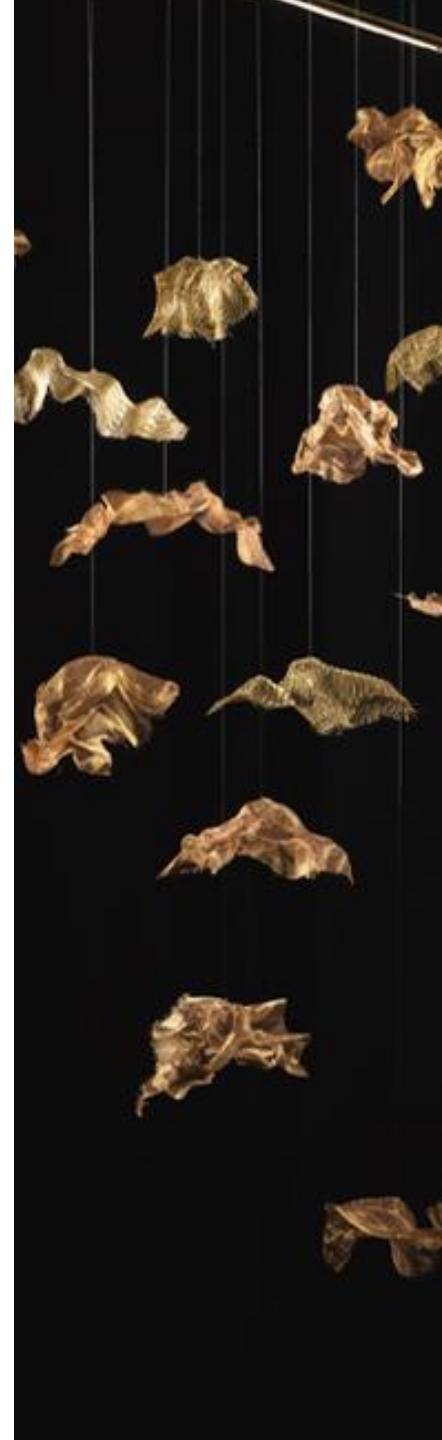

Nuvole Di Drago

- Nuvole di Drago is a suspension light that captures the magic of a night sky scattered with golden and copper-toned clouds.
- Crafted from delicate, airy threads in mixed materials, its intricately warped structure brings a sense of movement and lightness.
- When illuminated, it reveals shimmering details reminiscent of raindrops glowing against a dark sky.
- Light flows through the fine threads, creating a dynamic, cloud-like effect that shifts with perspective.
- More than a fixture, Nuvole di Drago transforms any space into a dreamlike atmosphere filled with texture, depth, and glow.

Nuvole Di Drago

Papera

- Papera is a surface-mounted wall and ceiling light that transforms spaces through an engaging interplay of light, distance, and reflection.
- It features two adjustable luminous cores mounted on a steel disc, allowing directional control and dynamic lighting compositions.
- The design creates striking chiaroscuro effects, blending light and shadow to enhance depth and atmosphere.
- Both functional and artistic, Papera is perfect for drawing attention to architectural elements or crafting mood-driven spaces.
- Ideal for modern interiors, it delivers a refined balance of innovation, elegance, and expressive lighting design.

Papera

Parkes

- Stands out by embracing asymmetry, creating a striking balance that challenges traditional lighting designs.
- Crafted using modularly placed LED circuit boards and delicate metal rods, which contribute to its lightweight yet durable structure.
- Asymmetric design enables a dynamic interplay of light and shadow, casting a unique pattern in every space it illuminates. This effect ensures that the ambiance is constantly shifting, making every angle and every moment under its light a new experience.
- Designed to suit a variety of environments, from modern living spaces to creative workplaces, Parkes offers flexibility and adaptability. Its design complements any room, enhancing the atmosphere and fulfilling diverse lighting needs with ease.

Parkes

Pillar

- Pillar is a sleek tunnel of light with a slim profile and refined design, offering a balance of structure and harmony for both modern and classic spaces.
- Built from modular LED circuit boards and delicate metal rods, its minimalist design creates a bold yet understated presence.
- Available in three timeless finishes—nickel, brass, and black brass—adding a touch of luxury to any interior.
- Whether as a statement piece or subtle accent, Pillar's warm glow and streamlined design elevate any space.

Pillar

Pit

- The Pit series has expanded and is now available as both floor and table lamps, adding versatility to the Pit lighting series.
- The handmade blown glass design features artisanal craftsmanship, offering a textured, natural finish that enhances any space with contemporary elegance.
- The new floor and table lamp options provide flexible lighting solutions, perfect for creating unique compositions and scenarios.
- Available in various sizes and color finishes, allowing for tailored installations to suit diverse aesthetic preferences.
- Pit is offered in 9 color finishes and 8 diameter sizes, allowing for enhanced customization.

Pit

Pixel Sphere

- Pixel Sphere, part of the Starlight collection, features a mesmerizing pixelized sphere design that blends cutting-edge technology with stunning visual effects.
- Carefully engineered with LEDs on both sides of the circuit boards, it directs 2/3 of its light downward for soft illumination and 1/3 upward for ambient lighting.
- Creates an enchanting atmosphere reminiscent of a starlit sky, making it ideal for lobbies, meeting rooms, or dining areas.
- This captivating suspension light elevates the aesthetic of any modern space with its innovative design and ambient glow.

Pixel Sphere

Punto!

- Punto! is a surface-mounted wall and ceiling light that blends clean, minimalist design with refined sophistication.
- Even when turned off, it adds an elegant, upscale presence to any room.
- Small in scale but rich in impact, it can serve as a subtle accent or a bold design feature.
- Versatile in application—ideal as a bedside light, for hallway ambiance, or to highlight artwork.
- A perfect harmony of style and function, Punto! brings thoughtful detail to any space.

Punto!

Quartet

- Quartet combines robust design with modern elegance, available in suspension, floor, and table lamp versions, featuring a sleek square shape crafted from four seamlessly engineered pieces.
- A subtle opening in the structure reveals the light source, blending form and function in a visually striking design.
- Offered in three sophisticated finishes: classic black, crisp white, or polished for a refined shine.
- The shade is customizable with frosted or transparent PMMA, allowing control over ambiance and brightness to suit your space.

Quartet

Raggio

- Raggio is a suspension light that blends minimalist form with hidden technical sophistication.
- Inspired by vintage Dutch chandeliers, it offers a modern, innovative twist with sleek aluminum arms and frosted glass diffusers.
- Its ultra-thin arms act as electrical conductors, removing the need for visible wiring and ensuring seamless 360° light distribution.
- When lit, only the glowing ends are visible, creating a halo effect that appears to float in mid-air.
- The result is a captivating, ambient experience where light becomes the focus and the fixture itself seems to vanish.

Raggio

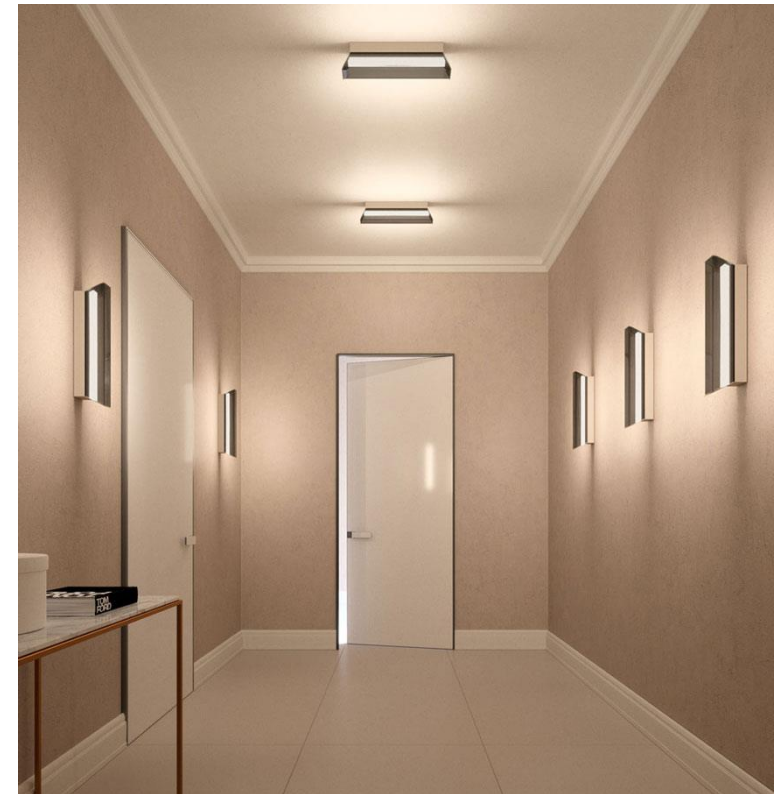

Regula

- Regula combines elegance, minimalism, and power, featuring a lighting family with two wall lamps, two ceiling lamps, and suspension lamps crafted from premium borosilicate glass in a modern square tubular design.
- The innovative LED chip ensures exceptional light quality and performance, providing both brightness and ambiance to beautifully illuminate any space.
- Features a smart mounting system: wall lamps use a discreet clip-on design without visible fasteners, and a magnetic mechanism allows easy removal of the glass for cleaning.
- The suspension lamp includes a convenient jack coupling for quick power connection, emphasizing a sleek, minimal aesthetic that prioritizes essentials and sophistication.

Regula

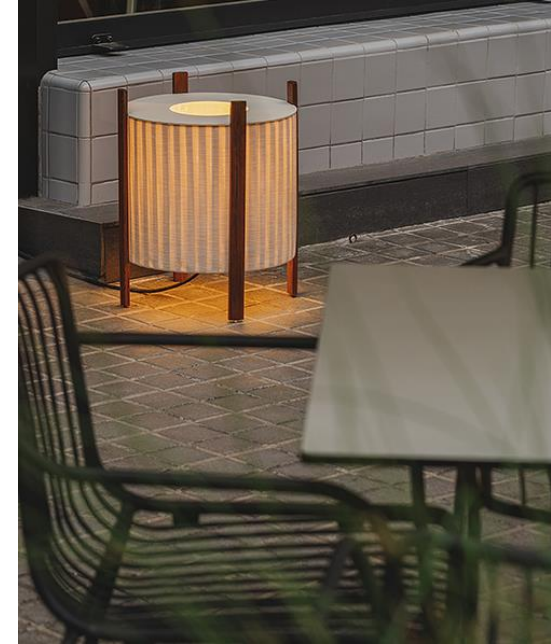

Rol

- Reflects the nostalgic simplicity of the 60s with its minimalist design, featuring a cylindrical form crafted with ribbons wrapping around the light source, evoking a sense of timeless elegance.
- Supported by four wooden legs, Rol exudes a lightweight feel and timeless simplicity, maintaining a sleek profile that adds a touch of sophistication to any space.
- Available in three sizes, Rol offers versatility to complement various spaces, allowing users to choose the size that best suits their needs and preferences, ensuring flexibility in design and placement.
- Seamlessly combines simplicity and versatility, providing balanced illumination without drawing unnecessary attention, enhancing the ambiance of any environment with understated elegance.

Rol

Schegge

- Schegge features a unique slanted and edgy design, inspired by the luminous fragments of a creative explosion, making it a standout piece in any contemporary setting.
- More than just a light source, Schegge serves as a piece of art that enhances and transforms living spaces with its striking visual appeal.
- The thin, blade-like lines of the Schegge lamp create a sharp and elegant aesthetic, contributing to the modern design while ensuring optimal lighting.
- Schegge not only illuminates but also becomes the central element of any room, adding a touch of sophistication and becoming an integral part of the interior design.

Schegge

Scroll

- Integrates concave and convex shapes, creating smooth, graceful curves that bring a sense of flow to any space.
- Available in both suspension and portable options, allowing for flexible use across different interior settings.
- Showcases the beauty of aluminum in a range of colors, adding a sophisticated metallic accent to the room.
- Designed with a line of light that not only provides functional lighting but also enhances the ambiance with its dynamic form.
- Each fixture from this partner is treated as a unique work of art, crafted with artistic finishes and materials that elevate the visual appeal of their designs, resulting in true masterpieces.

Shita

- Shita draws inspiration from nature, resembling a delicate mushroom rising from the forest floor.
- Its minimalist design merges organic shapes with steel for a refined, yet warm and approachable look.
- The touchable, mushroom-shaped shade attaches magnetically, allowing for easy light direction and intimate ambiance.
- Available in both table and floor versions, it casts a gentle, calming glow that enhances any space.
- Offered in earthy, nature-inspired tones, Shita adds natural elegance and softness to interior settings.

Shita

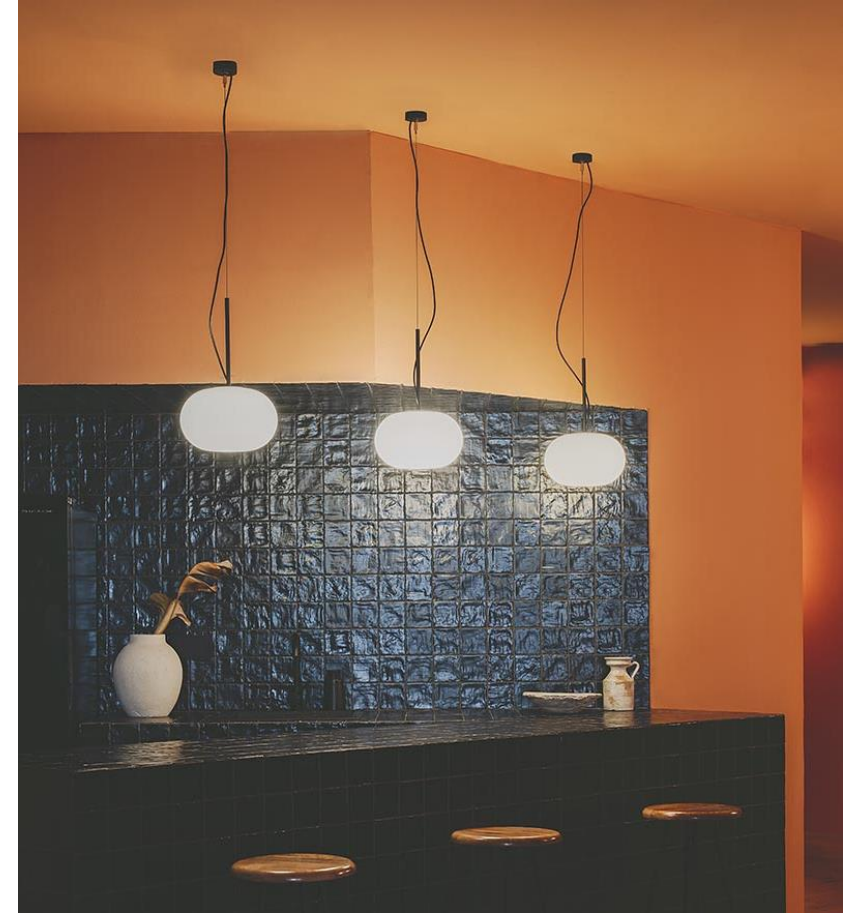

Span

- Gracefully embraces an infinite spherical shape, crafted with precision and featuring blown glass that adds a subtle yet firm delicateness to its design, creating a captivating visual impact.
- Testament to the harmonious fusion of delicate materials and timeless design, showcasing a balance between elegance and functionality that enhances any space.
- With four distinct versions to choose from, including the elegant floor lamp, sophisticated table lamp, space-saving wall lamp, and ceiling lamp/pendant, Span unveils its versatility, allowing users to select the perfect option to complement their space and style.

Span

Tempe

- Tempe is a modern table lamp inspired by the letter “T”, representing symmetry, balance, and intention.
- Crafted from a single sheet of metal, its arched form rests on three points, creating visual stability and elegance.
- The design emphasizes clean lines, sharp geometry, and minimalist aesthetics.
- Both functional and sculptural, it serves as ambient lighting and a design statement.
- Tempe embodies thoughtful simplicity, inviting quiet reflection through form and light.

Tempe

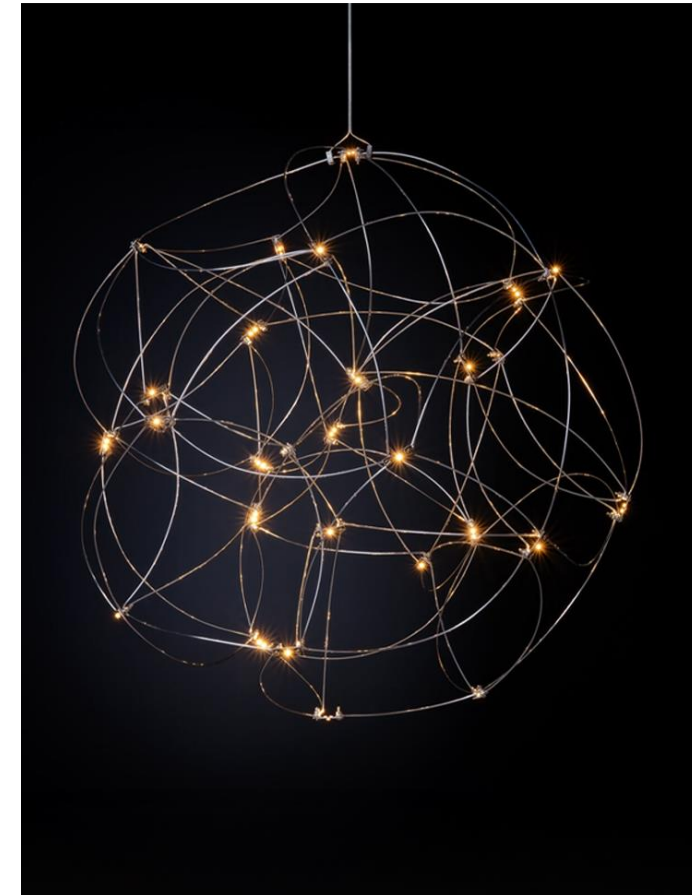

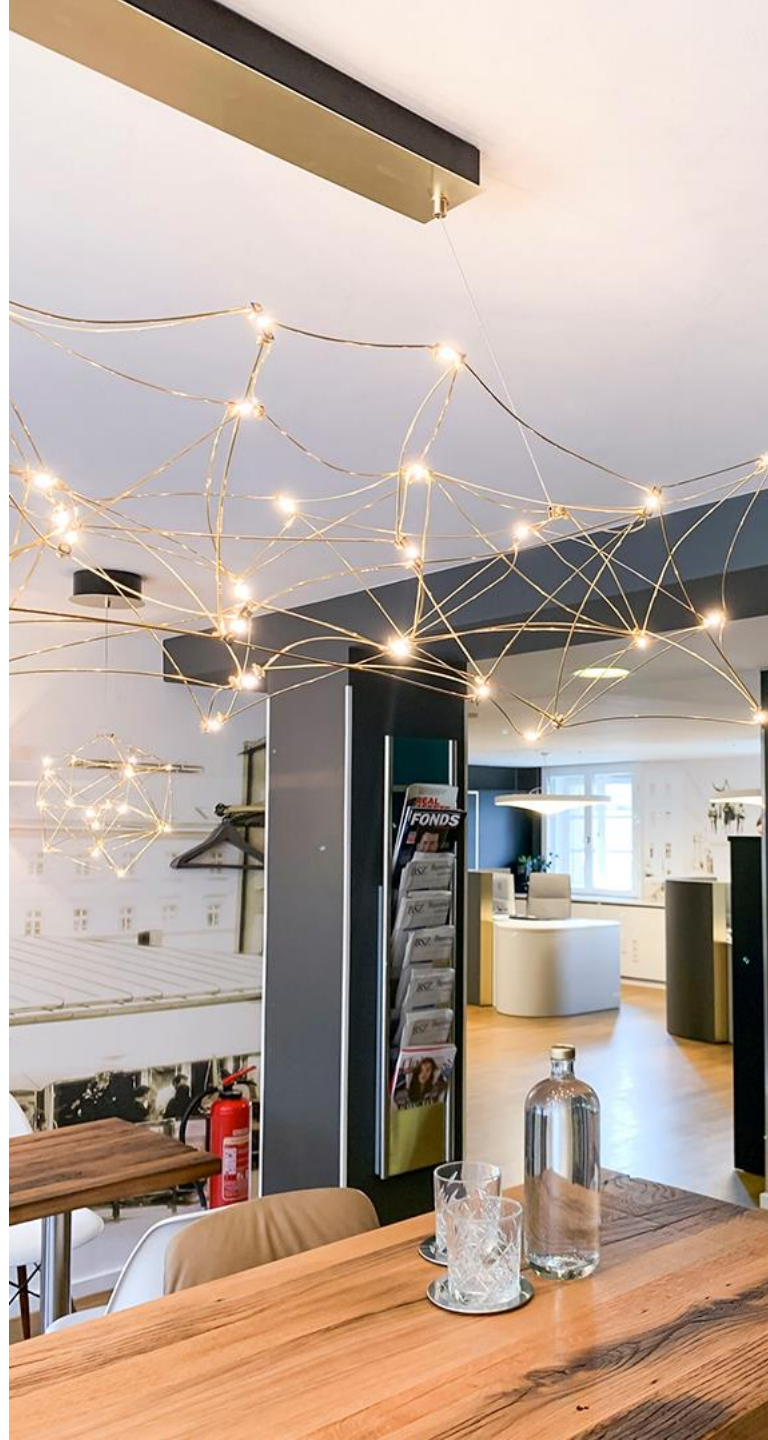

Tess Globe

- Features a refined and elegant round shape, accentuated by whimsically curved rods that add a playful touch to its sophisticated design.
- With the ability to mix and match different sizes and finishes, the Tess Globe offers extensive customization options. This versatility allows you to create a personalized lighting arrangement that perfectly aligns with your style preferences and interior design needs.
- Designed as a single suspension light, Tess Globe maintains a clean and uncluttered look while providing significant visual impact. Its singular presence is powerful yet adaptable, suitable for a variety of settings from intimate spaces to grand rooms.

Tess Globe

Torch

- Torch draws inspiration from early centuries when torches illuminated grand castles and manors, transforming this age-old concept into a contemporary masterpiece crafted from lustrous aluminum and bronze.
- Torch not only pays homage to the past but also brings a sense of warmth and character to modern spaces. The soft, diffused light it emits creates a soothing ambiance, ideal for relaxation and unwinding.
- Torch is an exquisite piece of functional art that enhances the aesthetic appeal of any room, combining historical charm with modern sophistication.
- Designed with attention to detail, Torch is crafted from high-quality materials like aluminum and bronze, ensuring durability and a timeless appearance that complements various interior styles.

Torch

Toscana

- Toscana wall lamp is inspired by the rustic charm of Tuscan roof tiles, capturing their timeless beauty in casted aluminum or bronze. It brings a touch of Tuscany's ambiance to any space.
- Available in two sizes, Toscana offers versatility to suit different preferences and spatial requirements, ensuring it can complement various room sizes and styles seamlessly.
- Crafted with meticulous attention to detail, Toscana exemplifies the art of lighting design. Its polished aluminum or bronze construction, curved to perfection, pays homage to Tuscan roof tiles while offering a unique and artistic lighting solution.
- Toscana casts a beautiful ambient light effect, creating a warm and inviting atmosphere in any room. It enhances the ambiance and adds a touch of elegance to residential and commercial interiors alike.

Toscana

Tratto

- Tratto embodies modern elegance with its flat, sleek profile and slender aluminum body, making it a sophisticated addition to contemporary interiors.
- Featuring a unique back-illuminated design, Tratto casts a soft, indirect glow that enhances ambiance without overwhelming the space.
- With its streamlined form, Tratto blends effortlessly into any modern setting, complementing both residential and commercial environments.
- Designed to be both functional and decorative, Tratto adds a subtle yet striking touch of elegance to any space it illuminates.

Tratto

Treviso+Treviso+Asiago

- Draws inspiration from the classic Treviso+Asiago, featuring a taller, more dynamic design with a slender, elongated shape and subtle bends reminiscent of a contrapposto pose.
- Its soft, flowing silhouette includes a gently curving base and a cylindrical shade, evoking the warmth and elegance of the Italian summer.
- Available with or without fringe, the lamp offers versatility and timeless charm, making it a refined addition to any interior.
- The Fondamenta project, rooted in Venetian tradition, blends heritage with modern design through collaboration. It invites artists and designers to co-create bespoke pieces, combining historical craftsmanship with innovative perspectives for timeless, unique works.

Trinity

- Trinity offers a sophisticated trio of hand-blown glass pendants in unique shapes—cylinder (Dao), round (Firenze Palla), and oval (Goccia)—for versatile, elegant clustering.
- The collection's adaptable canopy system enhances the impact of grouped arrangements, allowing for tailored installations that suit various spaces.
- Each pendant combines classic, ribbed glass with graceful forms, providing an artisanal, refined look ideal for hospitality and residential settings.
- Hand-blown glass pendants crafted with traditional techniques offer both beauty and durability, blending heritage and contemporary appeal.
- Each pendant in Trinity is offered in 9 color finishes, allowing for enhanced customization.

Trinity

Vegetal

- Each fixture in the Vegetal collection is inspired by nature's intricate designs, embodying the enchanting concept of light filtered through leaves.
- The fixtures blend transparent glass with a satin black nickel structure, creating a harmonious and captivating design that is both functional and aesthetically pleasing.
- Includes the unique subseries Calathea, Pilea, Ficus, and Palma, each inspired by different plants and carrying their symbolic meanings, such as prayer, friendship, hospitality, and resilience.

Vegetal

Vieni Giu

- Vieni Giu features sleek, thin rods with exquisite chrome plating, adding a touch of sophistication and contemporary style to any space.
- The LED double-pin encapsulated in borosilicate glass creates a unique luminescent rain effect, providing exceptional illumination that reaches every corner.
- Available in various lengths, Vieni Giu can be customized as a single suspension or a cascade of multiple elements, allowing for tailored installations to suit any design preference.
- Vieni Giu's design not only offers superior lighting but also serves as a striking visual centerpiece, transforming any room into a space of refined elegance and modernity.

Vieni Giu

Zed

- Zed offers the convenience of cordless operation, allowing you to place it anywhere in your home without the hassle of wires.
- The unique structure of Zed features an original shape with a detachable light source, providing flexibility and creative lighting options.
- With its sleek and minimalist design, Zed seamlessly complements a variety of decor styles, adding a touch of modern elegance to any space.
- Zed combines stylish design with practical functionality, making it an ideal lighting solution for contemporary interiors. Its portability and versatility ensure it enhances the aesthetic appeal of your furniture while providing effective illumination.

Zed

Zoe Max

- The beauty of Zoe Max lies in its impressive dimensions and versatility, suitable for various interior design applications and enhancing any space with its elegant presence.
- Features a distinctive inner silhouette that creates a captivating beam of light and transparency, making it a focal point and conversation piece in any room.
- Zoe Max boasts a harmonious blend of simplicity and elegance, reflecting timeless design and sophistication.
- Offers a vast array of customization possibilities with an exquisite range of color shades, allowing for personalized design to match unique tastes and settings.

Zoe Max

Zoe Vincent

- A collaboration with the Van Gogh Museum in Amsterdam, bringing together the art of the legendary impressionist painter and the exquisite craftsmanship of Italian artisans.
- Each Zoe Vincent fixture is meticulously designed in Italy by skilled artisans and master glass blowers. The subtle imperfections found on the decorative surfaces are a testament to the uniqueness of each piece, adding to their value much like an artist's signature.
- These features celebrate the individuality and artisanal quality that make every Zoe Vincent truly one of a kind.

Zona D'Ombra

- Zona D'Ombra is a distinctive wall and ceiling fixture that blends light and sculptural design.
- Made from a hand-shaped, irregular metal sheet, each piece has a one-of-a-kind texture and form.
- It's illuminated by one or two hidden spotlights, producing a dramatic mix of highlights and soft shadows.
- The contrast of light and dark patterns shifts across the surface, creating a captivating visual rhythm.
- Perfect for adding depth and artistic presence to any interior, it turns light itself into a design statement.
